

The Kettlewell Hostel Access Statement

Whernside House, Kettlewell, BD235QU
01756 760232

The Kettlewell Hostel is a large Victorian building in the Yorkshire Dales village of Kettlewell. There are many varied circular walks and cycle rides from the village. The hostel is an ideal stop over place for either day 1 or day 2 of the Dales Way from Ilkley, as well as being on the Lady Anne Way.

Kettlewell is home to an annual scarecrow festival in August.

We aim to cater for the needs of all visitors at The Kettlewell Hostel

We have 40 beds over eleven rooms, a large dining room, first floor sitting room with wood burning stove, well equipped self-catering kitchen, free fast Wi-Fi throughout the building, second hand bookshop and private garden. We can (and are happy to) provide all meals which are high quality and homemade, we are fully licensed with a good range of local beers.

Pre-Arrival

- The closest large town is Skipton (15 miles) with all facilities including train and bus stations and supermarkets. All major supermarkets deliver to the village.
- Grassington is 7 miles away, with a Spar shop, chemists, doctor and dentist surgeries, and numerous tea shops and gift shops.
- Kettlewell itself is well served with a local shop, garage, three pubs, tea shops. There is a regular bus service to Kettlewell from both Skipton and Grassington. Dales bus Number 72.
- A local private taxi is also available - Frank Innoco: 01756 761646
- The hostel is situated at the heart of the village of Kettlewell; all roads are surfaced with tarmac. The village has street lighting, and the hostel is lit well at night.

Car Parking and Arrival

We have space for seven cars around the hostel, and commonly this is enough.

We are happy to reserve a parking space if an individual has access issues please let us know in advance if possible. We are more than happy to help with any unloading etc.

If there is no space available outside the hostel on arrival, please park nearby for dropping off and unloading, and then move the car to the £3 carpark opposite the petrol station/ garage. We can sell you a ticket for this carpark if the garage is closed.

If you have a minibus over 16 seats then parking is free in the Yorkshire Dales National Park car park behind the garage in the village.

Please note that parking can be a sensitive issue in the village, and we ask that parking notices outside residential houses are respected.

Main Entrance and Reception

There is a wheelchair accessible ramp to the main hostel entrance with hand rails to both sides.

There is also access by 4 stone steps with handrails to both sides.

Please note that the wheelchair access only gives access to the first floor, and this level of accessibility does not reflect access levels for the rest of the hostel.

The main hostel door opens inwards to the tiled hallway. On the left is the hostel reception with carpeted floor. This is where we ask everyone to check in.

There is various seating available in the reception area and hallway.

To the back of the main hallway on the right is an information board with useful local information and menus, and a red button which can be used to call the warden who lives at the rear of the property. This is to be used if the warden is not around, during the night or outside of reception hours.

Public Areas;

Halls, Corridors and Stairs

There is good colour contrast to floors, walls and doors throughout the building, all public areas are well lit using a combination of ceiling and wall lights. All shared rooms and corridors on the first and second floors are carpeted throughout. All kitchen areas, toilets, and showers have suitable linoleum flooring. On each level of the building there are no floor height variations.

There is no lift, so access to each floor is via the stairs, all stairs are carpeted and have handrails to one side.

Dining Room

The dining room is accessed from the hallway via the first door on the right. This door remains open using a sound activated fire doorstop. The dining room has a level polished wood floor.

There is space to seat 36 here at 6 large wooden tables with additional seating available on request for up to 42 people. There is also a small seating area with two open sided soft chairs, and a small two seater leather sofa and a coffee table.

All furniture can be moved, please ask for assistance with this. There are wall hung shelving units which form part of the Hostel Bookshop

Lounge

The lounge is on the first floor. The door opens inwards and is held open using a sound activated fire door guard. The floor is fully carpeted. This is a shared space with wide bench seating/storage on two walls; this seating also has plug sockets built into it for phone and laptop charging. This area of seating cannot be moved.

There are board games in the built in storage.

The rest of the furniture is a long 5/6 seater sofa, and five soft chairs; one with arms, the e are three coffee tables. All of the non-fixed furniture can be moved as necessary.

There is a wood burning stove in this room, with kindling and logs provided. There is also a substantial fire guard available to use. Please ask for assistance when lighting the fire if needed.

Self-catering Kitchen

This room is accessed through the reception area to your left as you come into the building. The floor is level and surfaced with suitable non slip flooring. The door opens inwards.

The kitchen is equipped with two large electric ovens, two sets of electric rings (one with 4 rings, the second with 2), two commercial microwaves, two toasters, two kettles, two under counter fridges, one with a small ice box. There is a storage shelf unit for dry goods. There is a full range of kitchen utensils, crockery and cutlery enough for 40 people. Some items may be stored above head height; however, we would be happy to move items to a lower level if required. There is also a fully stocked first aid box in the kitchen.

If any additional equipment is needed, we are happy to provide this if we have it in the hostel kitchen, please ask for assistance.

All others areas on this floor are marked as private, these include the reception office, the hostel kitchen, and the dishwasher area.

Drying room

The drying room is straight ahead through the main hallway to the rear of the building accessed through the second hallway door which remains open with a sound activated fire door stop guard. The drying room has a heavy fire door which remains closed when not in use. The floor here is a level painted concrete surface.

Bedrooms and Bathrooms

All bedrooms are carpeted and on one level. All rooms have a hand wash basin with a mirror and vanity light above. Each of these lights also has a USB charging point incorporated.

None of the bedrooms are en-suite. All rooms are well lit - each has a central ceiling light. Beds are all made up ready with mattress protector, sheet, duvet and one pillow.

All bed rooms have a number of small moveable bedside tables, hooks, and under bed storage.

Toilets and showers are well lit with timed motion activated lighting, all have non slip flooring. All the shower and toilet doors open inwards. Bathrooms are well lit with timed motion activated lighting, all have non slip flooring. The showers all have a step up to enter.

First floor:

Access to the first floor is via the main staircase from the hallway. This is a large wide staircase with 16 carpeted steps and a handrail to the right.

There are three bedrooms on this floor:

- Bedroom 1 - 6 beds (three bunks)
- Bedroom 2 - 4 beds (two bunks)
- Bedroom 3 - 6 beds (three bunks)

Each of the showers on this floor has a fold down seat. There are four toilets and three showers on the first floor.

Second floor:

The second floor is accessed by a fairly narrow fairly steep staircase with 13 carpeted stairs, and a hand rail to the right.

All the bedrooms on the top floor are partially in the eaves and are beamed and therefore have some restrictions on head height.

There are eight bedrooms on this floor:

- Bedroom 4 - 2 beds (single beds - not bunks)
- Bedroom 5 - double bed
- Bedroom 6 - 4 beds (1 bunk, two singles)
- Bedroom 7 - 3 beds (1 bunk, one single)
- Bedroom 8 - 3 beds (1 bunk, one single)
- Bedroom 9 - 5 beds (2 bunks, one double)
- Bedroom 10 - 3 beds (1 bunk, one single)
- Bedroom 11 - 3 beds (1 bunk, one single)

There are two toilets and two showers on the second floor.

The main corridor on the top floor also acts as an access route to the top floor fire exit which leads to an external fire escape. This corridor must be kept clear at all times.

Grounds and Garden

To the rear of the dining room is access to our small private garden. The door opens outwards. This is one of the final fire exits so must not be blocked. The garden is accessed three sides with a wooden fence and on the fourth with a dry stone wall. The garden beyond has 3 steps up to grassed area with more seating.

No access is allowed to the area around the oil tank.

The garden has a variety of seating and a couple of tables including sofas and deckchairs. This outdoor furniture can be moved around if needed, please ask for assistance with this. External lighting can be switched on if needed on request.

Cycle Shed

We have a large bike store at the hostel accessed down the side. The bike store has concreted in hoops to secure your bicycles, a track stand and a couple of stand pumps. Please do bring your own bike locks. The shed is kept locked overnight and when not in use. Please let us know and we can give you the key for the bike shed when needed.
