

# The Kettlewell Hostel

## Group menu

Group meals are for exclusive hire bookings or larger groups staying here, where all of the party would like to have a meal together.  
Group meals must be arranged in advance, typically a month's notice is ideal with final numbers no less than a week before your stay.

Our group menu is designed to be as inclusive as possible, with a hearty option for meat eaters, vegetarians, vegans and gluten free options so no-one in your party need feel left out.  
Typically, we serve dinner at 7.00 but we can do it earlier or later, just let us know.

Group meals are all £14 for 2 courses  
Mains and puddings can be swapped around.

You just need to pick which meal you would want each night, and give us a list of how many meat, vegetarian, vegan and gluten free meals you would like. It is helpful if you provide us with a list of who has ordered what.

If anyone in your group would like to talk to us regarding their particular allergies or food intolerances, they are welcome to get in touch direct and we will do what we can to help.

If you are thinking about having a group meal on the day that you are arriving, please be aware that we can only keep our food hot for one hour. If your group are travelling from all over the country, it might be wise for people to eat on route or bring something to cook in the residents' kitchen.
